

TOP TEN QUESTIONS! !
**YOUR COSMETIC SURGEON DOES NOT WANT YOU TO ASK
BEFORE SURGERY**

10	How many surgeries do you perform in one day? <small>Hint: If it took Michelangelo three years to complete the statue of David . . .</small>
9	Are you a cosmetic breast surgery EXPERT? <small>Hint: Some very well-known surgeons perform a fairly small number of cosmetic breast augmentations.</small>
8	May I see recent before and after surgical photos that represent work that you alone have performed? <small>Hint: If the doctor can't show you a substantial number of photos . . . proceed with caution or turn and run!</small>
7	May I see the before and after photos for a patient who looks like me? <small>Hint: This will give some indication of the degree of the natural result that can be achieved for you!</small>
6	Over the last two years how many of your CME (continuing medical education) hours have been dedicated exclusively to cosmetic breast augmentation? <small>Hint: The best surgeons CONTINUALLY learn and teach! We recommend a minimum of 40 credit hours of advanced breast training per two years.</small>
5	Over the last year have you had ANY patients who required re-operation by you or another doctor? <small>Hint: Re-operations are the best way to measure patient dissatisfaction.</small>
4	May I communicate by phone or email with your last three surgical breast patients? <small>Hint: Almost all patients are willing to anonymously talk to other patients. Watch some doctors squirm when you ask this!</small>
3	Do you frequently use both over- and under-the-muscle implant pocket placement? <small>Hint: Your doctor should be able to explain to you the benefits and risks of at least FOUR different pockets!</small>
2	Do you frequently use belly button, underarm, breast fold, and areolar incisions? <small>Hint: Your doctor should be skilled at performing all of these methods.</small>
1	Are you a REAL doctor or do you just play one on TV? <small>Hint: Our practice is the REAL DEAL.</small>
